

Cartlidge & Browne Winery was founded in St. Helena by Tony Cartlidge and Glenn Browne. Today the three partners are Tony Cartlidge, Paul Moser and Bob Babbe. Cartlidge

& Browne Winery is based in a 100,000 square-foot, state-of-the-art facility in American Canyon at the southern end of the Napa Valley.

Cartlidge & Browne Winery has over 1000 acres of prime vineyard property under contract from Santa Barbara to Mendocino; the Sonoma Coast to the Sierra Foothills. While all of these regions make their unique contributions to our California Appellation wines, there are a few special sites whose wines have qualities that just beg to be bottled on their own. These we offer as single vineyard wines.
