

Neal Family Vineyards is located on Howell Mountain and specializes in Napa Valley Cabernet Sauvignon with grapes grown in several sub-AVAs. Mark Neal farms 1,900 acres of vineyards in the valley. His father, Jack Neal, established the vineyard management company Jack Neal & Sons in 1968.

In 1994, Mark took over the business when his father passed away and launched the winery with the 2001 vintage. He owns or farms all of the fruit used to make his wines. The grapes are grown in Coombsville, Rutherford, St Helena, Atlas Peak, Mount Veeder, and Howell Mountain.

Jack Neal & Son is by far the largest grower of certified organic wine grapes in Napa Valley with close to 2,000 acres. Only the best 1% of these grapes go into wines bottled under the Neal Family label. Winemaker, Gove Celio, has a long history of making great Cabernet Sauvignon in Napa Valley, and the wines he is producing at Neal Family are some of the finest in the Napa Valley.
