

LOST REPUBLIC

LOST REPUBLIC STRAIGHT BOURBON WHISKEY

CALIFORNIA • UNITED STATES • NORTH AMERICA

TASTING NOTES

Straight Bourbon Whiskey. Premium corn, rye, and barley grains, traditional copper pot still distillation, and premium charred American White Oak barrels blend together to give our Bourbon a unique complexity. Aromas of allspice and apple fill the nose. The palate is pervaded by flavors of caramel, banana, biscuit, cinnamon, and molasses giving way to a robust finish. Best when warming your belly near the fire.
