

CRATER LAKE

CRATER LAKE PEPPER VODKA

OREGON • USA • NORTH AMERICA

TECHNICAL DETAILS

From brunch to dusk, Crater Lake Pepper Vodka is up for anything. Infused with five varieties of sweet and spicy peppers—red and yellow bell peppers, anaheim, serrano, and habanero—this vodka brings bold heat and flavor. Consider it your Bloody Mary's new best friend. It also pairs well with pineapple and mango cocktails and oyster shooters, vodka cream sauces, and marinades.

TASTING NOTES

Starting with our award-winning Crater Lake Vodka, we infuse a blend of 5 different sweet and hot peppers to create a balance of flavor and spice. Originally created to be the perfect Bloody Mary vodka, Crater Lake Pepper Vodka has proven to be far more than just another flavored vodka, mixing well with pineapple, mango, and a variety of other flavors that could use a bit of spice.
